1997 Beechjet 400A

SERIAL NO. RK-143 Registration N824HG

INTERIOR

The aircraft is configured with 8 fully belted beautiful leather seats. The one of the kind large entry door allows the passengers into the most comfortable cabin of its class with 24K gold plated found throughout the interior. A refreshment center is located behind the pilot seat across a upright coat and small luggage closet. A single seat facing aft sits behind the refreshment center followed by four center seats in club configuration with two large stowable and foldable tables. Two additional forward facing seats are located behind the club configuration. The back of the aircraft is equipped with a fully belted flushable potty seat.

The interior was partially refurbished in 2005 and completed in 2006. All seats were refreshed in 2020 .

EXTERIOR

The aircraft exterior was completed in 2005 by Flying Colours with overall Matterhorn white with gray, including silver and black accents
