Amphibious floats, ski landing gear with 6" wheels/tires, separate wheel landing gear w/8" wheels/tires. 2 constant speed propellers, one for floats (HC-C2YR-1BF) and one for wheels (HC-C2YK-1BF). This airplane was the Great Alaska Aviation Gathering give-away raffle plane in 2011 for the Alaska Airman's Association so it must be a real "Hotrod Alaskan Performer". Never abused, low time on all the components and stored in a hangar out of the weather since this owner has owned it.
