

Dear Buyer.

Welcome to my Super Seawind world., N71RJ, aka, 1RJ – as you likely know, is an amazing experimental amphibious airplane. Here you will find photos and movies about its history, flying and technical data, like the POH and equipment list. Most importantly, you will discover an easy process for becoming the next owner of my incredible technically advanced airplane at [202317 N71RJ FAQs 1080WebShareName - YouTube](#)

This process is designed to be easy for you to do all your research up front so that you can move to the head of the line for purchase fast and easy. After reviewing the POH and other PDF documents in TradeAplane, you will have a clear understanding of what this plane can do for you and how it could become yours. This process separates serious buyers from all others. It must be accomplished BEFORE you make any travel arrangements to see 1RJ. To be clear, I will only support those who have completed the process I have outlined in “N71RJ FAQs”.

Lastly, go to www.SuperSeawind.com for articles, more photos and videos. Let’s fly now. Enjoy!

Thank you for visiting. I look forward to hearing from you soon.

Sincerely

Steve Wightman, Builder.
