Plane sold with fresh annual and pitot system check
Unique paint scheme
Low times
Garmin G1000
Garmin GFC700 autopilot
Garmin ADSB
Rare non-turbocharged variant

Description:

254-735-5030

hello@airspaceauctions.com

This is one of the last aircraft to roll off the Columbia factories assembly line. This plane was sold by Cessna soon after the assets of the Columbia factory were purchased from the bankruptcy. Overall the aircraft is in good condition with a unique color scheme that is guaranteed to draw attention on any ramp. Enjoy the simplicity and increased durability of the non-turbocharged engine. This is an incredibly fast and modern cross-country machine.

Airframe:

N12XY

2007 Columbia 350

S/N 42545

TT 1090

Sold under Cessna company ownership.

Engine:

Continental IO-550-N
