GAMI Injectors	Robertson STOL	Flint Wingtip fuel tanks
Brackett air filter	Soros air vents	LH/RH exhaust extensions

This privately owned aircraft has been well maintained by Seaplanes North for many years. It had major damage from a water landing incident a long time ago in 1997 but was repaired by a reputable shop using jigs & factory new parts and has had no damage since. Recent upgrades include NEW Aerocet 3500L floats in 2021, complete strip, prime and repaint by Brad Bartlett in 2022, and ALL NEW Superior Millenium cylinder assemblies and OVERHAULED magnetos in 2023. The Aerocets and cylinders have approximately 100Hrs since installation. Complete winter covers, a steering bar, custom tie down ropes and other goodies included!

**** SPECIFICATIONS SUBJECT TO VERIFICATION UPON INSPECTION ****
